html#comments Top 10 Games Of 2012 (Trailer Only) Retro Gaming looks back over the last year and selects some of the top retro games released in 2012. These are games that are still amazing and many of them are under the radar so please check them out. Top 10 Games Of 2012 - trailer Games, such as Bioshock Infinite, The Witcher 2 and Borderlands 2, have already come and gone, but other games from 2012 may be new to some of you but have managed to get the attention of many others. There are more that I've missed but these games are here to stay and do some awesome things. The following games are not in any particular order. Nintendogs + Cats The brilliant Nintendogs + Cats' success was largely due to the fact that it came on the Wii and due to that, the quality of the game was also brilliant. I was so convinced when I saw the concept that I actually named my dog, Nintendog, and my cat, Nintendust. The game is still really good and is worth a buy for anyone with a Wii. The Witcher 2: Assassins Of Kings The Witcher 2: Assassins Of Kings is a great game, it's more RPG than RPG but that's the point of it. Geralt of Rivia is back and is much older than his previous adventures. The game also has plenty of new characters and a rich story. There are lots of high-quality locations that are worth exploring as well. The Witcher 2 is a great game and if you haven't played it before you should check it out on the Wii, Xbox 360 and PlayStation 3. God Of War III Kratos, the main character in God Of War III, has had a fairly short career so far. He may have the entire gods (Greek mythology) to save. The plot is fairly linear and it seems as though you're either going to save it or die. The game has a story, lots of action, great characterisation and fantastic graphics. God of War III is very good and deserves a spot on your list. Sonic Generations I cannot really say enough good things about this game. It's a game that was almost made for Wii and its presentation is reminiscent of a Sonic game on the old Master System (and the Sega Genesis). It has a great 82157476af
